Megan insists she's just learning about sex. "I've had sex for a while now, but the more I do it the more I'm learing about it. Just like school where it takes many teachers to give you a well-rounded education, you need several partners to learn more about sex."

We couldn't agree more, a well-rounded sexual education is what makes for a good sexual partner. Turn the pages and you'll see what Megan has learned.

MEGAN WANTS TO BE TAUGHT HOW

"I used to just lay there on my back and let the guy do his thing. I think I gave a pretty good blow job, but now that I think back, it was probably more mechanical than sensual. While I enjoyed it, I came to learn there was so much more. Now I think I'm a pretty good fuck, but I can't wait to ghet even better, and that takes practice. Lots and lots of practice. Hear that guys?"

"I'm a sweet Southern gal from Alabama and my mom taught me that I should always treat my man right. Make him his dinner, mend his clothes, have his kids, and always give him the sugar pie when he wants it. It took till I was in college until I finally figured out what she really meant."

"I've only given my sugar pie to really sweet men and they've treated it with kid gloves. But then I met this bad boy and he ravaged it. There was pie all-over his face, on his hands, and I even tasted me on his cock. I kinda liked it but it can't get too rough for me. I think I may let a nice guy have a piece of my fudge cookie soon.

I don't know when I've ever seen a body or a booty like your cover babe, Lori. Talk about one fine piece of ass. She looks like she could go all night, sucking dicks, taking my cock in her twat and asking me for more. And you know I would give it to her. – Marques

Bouncin' on the beer

I'm 22 and just out of college. I was great outside linebacker with aspirations, no make that expectations, to go pro. The Packers had expressed some interest in me, but I blew out my knee with three games to go in my senior year. With little hope for the NFL, I moved to Chicago and because of my size, I was a natural fit to be a doorman at one of the nightclubs in the city. It's not what I went to college for but for now it helps pay the bills.

On my first night, I was shown the ropes by Chaz, the head of club security and he told me that 99% of the time it was all fun and 1% of the time it was all out chaos and to always keep my back to the wall. Other then that, there were no rules.

I started my first shift on door on a Tuesday night. It was A Dollar A Shot night of vodka and I learned very quickly that vodka can make young ladies quite horny and loose. At least most of that was going to happen inside and not here.

I was having a great time scoping out the babes who were coming to the club. There was a narrow hallway that they had to go down before entering the main room in the club and they had to push themselves around me. In the process I had gotten feel after feel of rock hard titties. It wasn't my hands that were doing the touching, but a guy can learn to feel with his upper arms and elbows. After all, who needs to end up on the news on sexual assault charges when you haven't even gotten closed to being laid?

The night was getting long and had turned to morning an hour ago. But the girls just kept coming. As the night went on, there was this cute girl there who kept trying to make small talk with me. She was dark and looked no older than twenty. She had a black party dress on and it came down deep in front revealing her ample breasts. She told me her name was Monique and that it was her first year in college. She was out with a few girlfriends blowing off some steam. She asked about myself and we had a brief conversation before she was dragged back onto the dance floor by her girlfriends.

It was now two in the morning and she had come back to me and wrapped her arms around me and I rested my hands above her ass. She was firm all over. I noticed that she had high rise thongs on and I was so turned on by her. She pressed her body against mine and said that she thought I was hot.

It was almost closing time and my new friend Monique came back and this time she was more affectionate. Kissing me, touching me and I was doing the same to her. I asked her to go into the store room. This is the room where we kept our beer supplies. I knew it would be a good hour minutes to an hour before the night crew would be restocking the bar so I had some time to take care of my friend.

She of course was very obliging to come with me to the room. We closed the door behind us and the cold air made her nipples stick out though her dress. I ran my hand up her stomach over her dress and cupped her breast. We kissed and I sat her up on some cases that were piled up.

She opened her legs up slightly and I slid my hand up her thighs. They were silky smooth and her thongs were soaked through. I quickly found her pussy. I could tell it was just trimmed around the bikini line. I parted her lips and it was easy getting to her clit. I started to rub the clit with my index finger. She started to breath heavier and moan.

Knowing time was limited, I pulled my finger down lower and found her opening. I got her to tilt her body back. I then pulled her thongs off of her body and I started to lick her pussy. She tasted so good. There is no description as to how pussy are supposed to taste, but if there was, hers would of been it.

I used my tongue to lick her small clit and poked her pussy as well. In no time, she came right there. I thought the rest of the staff would take notice to her very vocal climax but they didn't. When she came down she asked me to fuck her. She wanted to feel me inside of her.

I pulled my cock out and she stroked it. Precum was just pouring out and I lined it up against her pussy. I ran my thick bellhead against her clit and teased her opening. With that, I pushed my head inside. I pulled it out and popped it back in. Then she and I couldn't take no more and I slide my hard cock into her pussy.

I was ballsdeep against her ass. The expression on her face was like, oh my fuck, what did I just do? As I started to slowly fuck Monique, she started to come around and her breathing was beginning to pick up and she started to moan. She then started to wiggle her hips to the rhythm of my cock which is now hammering her pussy. Down there was a sticky mess of precum and her vaginal juices. All of this turned me on.

And now I was feeling the sensation of a building orgasm. I was going to cum soon and I wanted to make sure that she came as well. I didn't have to wait long. Before I knew it, she was cumming and with that I started to fuck harder and faster and made myself cum in sync with her. Her pussy knew how to handle the package of seed I was shooting deep inside of her. It felt like my cock was being milked by her pussy out of every drop of cum I had in me.

As we came down from our climax, we realized that we had evidence right out in front for everyone to see. She stood up and looked down to find a steam of pussy juices and cum running down the boxes of beer and pooled up on the floor below us.

I found a cloth and we wiped up our collective mess together. She put her panties back on and we walked out of the room. She had to go on with her girlfriends and I had to go and help the rest of the staff clean up.

We did have our time together and it was fun. There have been others that I've connected with as a bouncer but I'll always remember my first, what's 'er name...

– Rashon, Chicago

YES, I'M WET.
I'm also sassy, opinionated, a bitch, a sweetheart, your lover, and your worst nightmare. I'm your ex – asshole.

ELENA AND KRYSTAL ARE TEENAGE WET DREAMS

Elena says she's not usually attracted to girls, but this chick was not only beautiful on the outside but the inside too. Anytime she'd see her at gym, she'd watch her ass as she used the elliptical machine. Elena says she would wear sunglasses when using the treadmill so she could check her out without moving her head. After weeks of innocent flirtation, she still wasn't sure if she was in to girls, but Krystal answered that.

It was a chance in meeting at a local coffee shop that changed everything. Elena invited Krystal to her apartment and as it turned out, she was just as freaky as Elena. Now every Monday and Friday after their workout, they get together for an afternoon freak fest. They find each other pretty irresistible. Both had never been in a lesbian relationship, but as they say, 'There's a first time for everything.' and we're glad.

angel marie play with me

“My new neighbor next door is such a hunk. I can’t wait to get to know him better. Maybe I’ll invite him over this weekend. I really like the way he looks at me. All of the thoughts in my head are extremely hot and dirty. I’m sure he’s been thinking about me too. I can tell by the way he licks his lips when he’s talking about me. I’ll ask him for a play date.

"I invited him over to watch the game, but before the game even started, we were making out in the kitchen and then the living room where it started getting even hotter. We weren't even watching the game anymore. Finally I led him to the bedroom and yelled out: 'Play ball!' which we did for the next four hours. I think I came three times and I know he came twice. It was a fun day."

“My nights out with friends at the clubs never really resulted in meeting anyone worth while. But last night may have paid off. I’ve never dated an athlete before so it will be interesting to see what happens. I definitely felt secure when I was standing with him. Maybe it’s the broad shoulders and massive muscles. All I’ve ever heard is the biggest guys have the littlest dicks. I hope he can prove this myth wrong and I’m about to find out.”

"It was great to have a guy like this to ease my mind and fuck my pussy. By the time we got to the bedroom, I was completely naked and told him to hurry up, I wanted to suck his cock. It was rock hard by the time he got his pants off. I couldn't wait to get my lips around it, and then pull it into my sopping wet pussy. In the end, he rewarded me with a great big mouthful of cum."

800-289-6725

OVER 18 ONLY.

What started out to be a cool morning hike turns into a steamy afternoon.

IN THE GREAT OUTDOORS

Friday morning we woke up bright and very early to the sun streaming in our bedroom window. We had picked the right day to go camping and hiking. Showered, dressed and breakfast eaten, we packed up our supplies, packed the car and headed out. In less than two hour we arrived at our destination: Yosemite. There didn't seem to be anyone else around as we pulled into one of the remote parking areas, but then it was still quite early in the morning. We locked up the Jeep, threw on our backpacks, grabbed a several bottles of water, put some granola bars and nuts in our pockets and started out down the trail.

I had packed the video camera expecting to come across lots of wonderful picture opportunities along the way, whether they were of wild life or pictures we decided to take of each other enjoying nature. We trekked up the path and noticed that there were several other paths diverging off the main trail, some longer than others, some that were made for families, some for the lone hiker. We chose one that took us up the escarpment and into the bushier area of the trail. Early in the morning, it was still cool so we layered our clothing. The forecast was for a sunny day so we had hats and sun screen. I made sure that I had worn my loose fitting shorts and no panties so that my shaved pussy could feel the cool breeze coming up my shorts. I had instructed my guy to go commando and to put on his loose fitting shorts as well, I wanted him to feel the cool breeze on his privates since I had shaved him clean and bare. That was a fun night but something for another story.

The trek up was tiring but the views that peeked through the trees and shrubs were breathtaking. We were well into our hike when we noticed a small area off the trail. It looked like a virgin meadow. It seemed that no one had ever been there, or at least for a week or so. When you looked back to the main hiking path, you couldn't see anything. I suggested that maybe we should take a little rest and water break. I pulled out the blanket and spread it on the ground so that we would have a place to sit down. There was a slight breeze in the air and it sent a shiver down my spine and my nipples became hard and erect, poking out hard against my t-shirt. Wiped off and dry, we sat down on the blanket for a snack and a drink. As we sat we took in the sounds of nature and felt the fresh air rejuvenate our tired bodies.

After a half hour the sun was streaking through the trees and found us and our

I reached up the leg of his shorts and grabbed his hard cock and stroked it back and forth, squeezed it hard and played with the wet tip.

spot, warming up the blanket. It felt good against my bare legs. I found a sunspot on the blanket, took my t-shirt off and lay down on my stomach with my tits on the warmest area. I could feel the heat of the blanket on my nipples and the heat of the sun on my back. My pussy was getting warm from the blanket as well and I could feel my pussy start to tingle. I slid off my shorts and lay back down on my stomach. The blanket was still warm from the sun, but now I could feel the sun streaming down on my back and ass. I closed my eyes, as my body relaxed from the warmth. I was enjoying our break, the sun and the tingling that was starting to happen between my pussy lips. I think the same was happening to him.

The wearmth of the sun must have gotten to me because I must have dozed off for a little while. I awoke to the feel of hands rubbing my ass and legs. My guy had a knee on either side of me and was slowly massaging my legs and ass. He had taken the camera out of the backpack as well and had taken a couple of videos of me while I was sleeping. He kept massaging my back, legs and ass and I was getting turned on. He had taken off his shirt, but still wore his shorts. He slid his finger down the crack of my ass and as he did I could feel his dick rub against my leg. His cock was hard and felt so good rubbing against me. I felt his hand move from my ass to my pussy and he slid two fingers inside of my wet hole. I rolled over on to my back and spread my legs.

He grabbed the camera and started videotaping my wet pussy, spreading the lips open wide and rubbing my clit. I brought my knees up to my chest and gave him a great shot of my wet and juicy holes. He slid his fingers in and out a couple times and spread the juice around my clit to make it glisten in the sunshine. I lowered my legs, but kept them spread wide apart and felt the breeze blow over my shaved cunt. He dipped his fingers into my juicy pussy and this time he sucked his fingers off and tasted my juice. I reached up the leg of his shorts and grabbed his hard cock and stroked it back and forth, squeezed it hard and played with the wet tip. I pushed his shorts out of the way and pulled his cock into my mouth. I sucked and licked the head of his prick, tasting the salty juice that leaked from the tip. I could hear his breathing starting to become rapid and knew that he was fully aroused and ready for more action.

He placed the camera in a tree and aimed it for the spot that we were laying in. He took off his shorts and his cock sprang up ready to be sucked and licked again. I pulled it into my mouth and sucked and licked the tip, my tongue darting in and out of the slit. My hands were grasped around his thick shaft, pumping his cock up and down, feeling him get harder and harder. I lay down with my head towards the camera and pulled my man's cock up

He slid his fingers in my cunt and pulled them out and rubbed my cream on the tip of his hard cock. I came and came and came in the outdoors.

to my mouth as he straddled my body. I wanted to make sure that everything was being recorded. I pumped his hard cock while sliding it in and out of my mouth, tasting his juice as it started to ooze from the tip. I sucked harder and harder. I could feel that he was getting close to cumming and I wanted to taste every drop. I massaged his balls, and licked and sucked his sac, sucking his balls into my mouth and rolling my tongue around them. My hand was stroking his hard prick, sliding up and down, faster and faster. I felt him start to shake and knew that soon I would taste his salty cum when he exploded in my mouth.

I pumped his cock faster and faster and then his back arched, at that moment I sucked his cock into my mouth and felt and tasted the load of hot cum hit my tongue. He thrust his cock in and out of my mouth; each time more and more cum filled my mouth. It tasted so good, that thick, creamy juice. I licked and sucked the tip to make sure I had gotten all of his juices. My mouth was full of his cream and it tasted so good. I savored his cum and slowly swallowed it.

My man was exhausted and lay down on the warm blanket and closed his eyes. I wanted him to rest, as we were not done yet. I checked the video and it was fantastic, but it was making me horny again and I needed to have my juices released. When my man realized what was going on, he started sliding his fingers in and out of my slit and rubbing my clit. He pulled his fingers out and licked them off, savoring the taste of my pussy. He grabbed my nipples and pulled them making them stand erect. His mouth found my tits and he sucked and licked my nipples. His other hand was rubbing my pussy and his fingers were sliding in and out. He lay me back on the blanket and spread my legs wide. He licked and kissed my inner thighs and slid his tongue down to my pussy. He sucked my clit, and ran his tongue around it in circles all the while his fingers were sliding in and out of my juicy hole. His tongue found my pussy lips and he licked and sucked them.

His tongue darted in and out of my hole, as he sucked my juices. I was moaning and breathing hard, it felt so good. He slid his fingers back into me and started to wiggle them. This sent shivers down my spine. I wanted to cum, and I could feel that I was getting close. He pumped his fingers in and out of my hot cunt, sucking and nibbling my clit at the same time. My body was shuddering and my back was arching, and I felt my explosion as he sucked and licked my clit and pumped his fingers in and out. I could feel my cream dripping down his fingers, mixing in with the juices that were already there. He pulled his fingers out and started sucking my cunt, lapping up the cream that was oozing out of my hole. He slid his fingers in my cunt and pulled them out and rubbed my cream on the tip of his hard cock. I came and came and came in the outdoors.

We heard some human sounds coming up the trail and quickly dressed. Wed gathered our stuff and got the video camera. Just as we finished a group of hikers came into our meadow and we headed out wishing them a good day, hoping they wouldn't find our cum juices on the grasses.

LIV WYLDER

THERE'S SOMETHING IN MY BUTT

My roommate and I are complete polar opposites. He's a nerdy, geeky quiet guy that stays home in the evenings and I'm the tall beach-blonde volleyball athletic type. He works days at a pet shop around the corner from home and I work nights at a strip club downtown. It took some trying but I finally convinced him to come and check me out in the club and I think he enjoyed my lap dance because my ass felt his "complementary" happy ending. And he tipped me, too.

We've gone from two ships passing in the night to two raging battleships testing each other weapons and I like the game. But we do have to take it carefully if we want to stay rommates and friends and not turn into horny sex-starved lovers. But that wouldn't be too bad either.

STORMY SHORES

JUST ANOTHER DAY ON THE JOB

After a long day of work, I just wanted to sit and do nothing. My worked at the desk next to me. He came over and began to stroke my hair and rub my shoulders. He unbuttoned my blouse and cupped my breasts. I'd never fooled around at work before but everything he did sure felt good. Maybe I really needed this.

At first I was so concerned about getting our office sofa soiled, but after a while so many other things occupied my mind. We spent the whole afternoon licking and fucking each other. But rest assured we got the project done on time and aced it with the client. But it was a great way to wind down after a strenuous day a work.
